

## **Nationally accredited care ensures your child's is always in good hands.**

Busy Bee Early Learning Center has been accredited through the National Association for the Education of Young Children (NAEYC) for over a decade, and has been awarded the Florida Gold Seal. We serve all families, regardless of socioeconomic status, race, religion, cultural background, gender, disability, or language. All families are included in all aspects of our program and in all volunteer opportunities.

Our high-quality program provides a safe and nurturing environment while promoting the development of young children.

- We promote positive relationships for all children and adults to encourage each child's sense of individual worth.
- We implement a curriculum that fosters all areas of child development: cognitive, emotional, language, physical, and social.
- We use developmentally, culturally, and linguistically appropriate and effective teaching approaches.
- We provide ongoing assessments of a child's learning and development and communicate the child's progress to the family.
- We promote nutrition and health of children and protect children and staff from illness and injury.
- We employ and support a teaching staff that has the educational qualifications, knowledge, and professional commitment necessary to promote children's learning and development and to support families' diverse interest and needs.
- We establish and maintain collaborative relationships with each child's family.
- We establish relationships with and use the resources of the community to support achievement of program goals.
- We provide a safe and healthy physical environment.
- We implement strong personnel, fiscal, and program management policies so all children, families, and staff have high-quality experiences.

NAEYC Accreditation is awarded for five years. During that period, programs submit annual reports documenting that they maintain compliance with the NAEYC program standards. All NAEYC-Accredited programs are also subject to unannounced visits by skilled and reliable NAEYC program assessors to ensure they continue to meet standards.
