

# Busy Bee Early Learning Center, Inc.

Spring/Summer  
2015

*We believe children learn best through play and hands-on activities!*

## Important Notes!

When does the 2015/2016 school start?? WE DON'T KNOW YET!! As of this writing, it is still up in the air. The school board has collected the votes from parents of students and are having a meeting on Thursday evening, April 23. The results should be posted by Friday. As soon as we know, we will let you know! This will effect summer field trips and our new VPK schedule so we are in limbo ourselves until we know the results. Speaking of summer, please ask for a copy of our School Aged Summer Schedule!

## \*\*PARKING ISSUES\*\*

We have been asked by the police dept. and the city to ask our parents to please refrain from parking in the road or in the front ditch. There is plenty of parking available on the side!

**FRIDAYS ARE SPIRIT DAYS! WEAR YOUR BUSY BEE SHIRT!!**

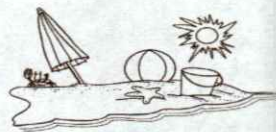

## HEY!

Hey!! Did you check your child's cubby today? Please look everyday!!

Hey!! Don't forget to "like" and check our Face Book page often! We have been posting some awesome pictures and videos!

Hey!! Get a new phone number or move? We need updated information as soon as you have it!

Hey!! We raised almost 1800\$ for St. Jude's Children Hospital! Thank you thank you thank you to all those who donated and helped us teach our children to care for others.

## VACATION POLICY REMINDER!

## REMEMBER!!

By law, every child MUST be signed in and out every day. DO NOT give your door code (PIN) to someone else picking up or dropping off your child as the door records will then be FALSE! People without their own PIN must come to the office and be ID'ed for the safety of ALL children. \*\*\*NOTE\*\*\* Some of your CHILDREN know your code to get in the door. Please refrain from sharing your code with your child - would you teach them your PIN for your ATM card? PINs are for the safety of all children and staff. Please do not share!!

Emergency drills are randomly done once a month. If you are present when a drill is being performed, please follow the procedures of your child's class.

ALL children, staff, and volunteers MUST wash their hands upon entering the center! Encourage this practice at home too. Washing your hands often is the best way to avoid getting sick and spreading illnesses.
